**SHIPPING ORDERS:** Because of limited mother stock, orders are accepted with the understanding that they will be shipped only if and when saleable plants are available beyond needed propagating stock. If we cannot ship within a reasonable time, we will back order these plants, but return your remittance.

Cash with order. Shipments \$10.00 or over are sent prepaid (except when weight or size is unusual), parcel post special handling, or express, to destinations east of the Mississippi. Western states add 5% to cover additional postage. On orders under \$10.00 add \$1.00 to help cover cost of handling and postage. Minimum of \$5.00 on mail orders. Air shipments on request, collect. Foreign shipments via air freight, free of soil, f.o.b. New York. Plants will be sent in plastic or paper pots wherever possible; Orchids, unless requested otherwise, in clay pots, in which case we send transportation collect. We will pack carefully, but cannot be held responsible for poor arrival because of the perishable nature of many exotic plants. We try to avoid shipping during cold weather.

Plant lovers are cordially invited to visit our 130 greenhouses, any day of the week; however, sales in our Exotics department cannot be made Saturday p.m. or Sunday when our specialists are not available. The greenhouses are located on Paterson Avenue, via Highway 3, 8 miles from Lincoln Tunnel, New York. Inter-City Bus No. 35 from Port Authority Terminal in Manhattan, to Park Avenue, East Rutherford, then continue same direction 1 mile Bus No. 3.

## EXOTIC HOUSE PLANTS
